28th March 2017

Circular to
All Companies at Cyberport 1, 2 and Core A of Cyberport 3

Dear All Companies at Cyberport 1, 2 and Core A of Cyberport 3,

Cyberport – Routine Testing of Emergency Generator at Public Transport Interchange (PTI) of Cyberport 2

Please be informed that a routine testing of emergency generator set at PTI will be arranged by Electrical and Mechanical Services Department of HKSAR Government on 04th April 2017 (Tuesday). The detailed schedule is shown as below:

Date : 04th April 2017 (Tuesday)
Time : 15:00hrs to 15:30hrs
Area Affected : The Podium, Level 4 of Cyberport 2

During the working period, occasional engine noise, smoke and gasoline smell will be generated near The Podium. However, it is expected that your premises should not be affected.

Should you have any enquiries, please feel free to contact Customer Services Department.

Thank you very much for your kind attention.

Yours faithfully,

Kave LEUNG
