

Our Ref.: JLL/CYBT/2021/C/658

15th July 2021

**Notice to
All Cyberport Tenants**

Dear Sir/Madam,

Cyberport – Mask-wearing Requirement at Cyberport

We received a complaint from our customer reporting that there were people not wearing masks and smoking in open area.

As a continuous preventive measure for the COVID-19, we'd like to warmly remind again that a person must wear a mask at all times in public places (indoor and outdoor) according to the requirements under the Prevention and Control of Disease (Wearing of Mask) Regulation (Cap. 599I) unless with exempted situation as mentioned in the regulations. Kindly note that smoking is **NOT** an exempted case, any person who is present in public place cannot take off their mask for smoking. Besides, smoking damages lungs and weakens immunity.

Providing and maintaining a hygienic environment at Cyberport has always been our top priority. Please wear surgical masks at all times in Cyberport public areas for prevention of Coronavirus disease. Thank you for your kind understanding and cooperation.

Let's join hands to make Cyberport a healthy and hygienic place.

Should you have any enquiries, please feel free to contact our Customer Services hotline at 3166 3111.

Yours faithfully,

Sam Chan
